THR 1010 - Fall 2011

Excellent instructor, who knows Theatre. Extremely helpful and fair, answers emails immediately, grading is exactly what you earned, but come prepared to read plays, write, test, be quizzed. However, if you are absent or late, your grade goes, she don't play...when it comes to you attendance. I guarantee an easy "A" if you show up and participate!

SHE WAS GREAT SHE REALLY KNOWS HER STUFF. AS LONG AS YOU COME TO CLASS AND TAKE NOTES THERE IS NO WAY YOU CAN FAIL. ALL EXAMS WERE FROM HER NOTES. SHE PROVIDED STUDY GUIDES WHICH MATCHED THE TEST PERFECTLY!!! I STRONGLY RECOMMENDED HER!!!

Great professor, as long as you attend class and pay attention it will be an easy A

very friendly, she isn't a hard grader but you can only have 2 absences if you have more your grade will be affected.

I appreciated your enthusiasm and examples shared in class, great cultural enlightenment.

Absolutely amazing. Learned about how to teach a class w/ people in it that don't want to take it which was very important for my career. Making me appreciate theatre was a hard task b/c I wasn't looking fwd to it at all & by the end I appreciated & had a new outlook on the business. I wish you luck. You are absolutely a wonderful person & are definitely in the right field.
