THR 1040 - Fall 2011

Jenn Goff is absolutely wonderful. She is helpful, insightful and incredibly intelligent. I learned a great deal from her class and from her as a professional. She is fair, high energy and reasonable. The harder you work the more you will get out of her class. Come ready to work and you will be rewarded with an "A" as well as a great experience.

This class was great. I learned a ton and enjoyed it. She was fantastic. She taught me a lot and made it fun. Working as a group made it more fun. The readings helped so much.
